Management's Responsibility for the Financial Statements

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Notes to Financial Statements
June 30, 2018 and 2017

Note A - Organization

Communities In Schools of Jacksonville, Inc. (the “Corporation”), a nonprofit corporation, was incorporated under the laws of the State of Florida on December 26, 1989. The Corporation is dedicated to coordinating human services and delivering them to at-risk youth in Jacksonville, Florida, and to their families through the supportive environment of the public schools or alternate education sites. The Corporation endeavors to enable such youth and their families to have access to a broad range of needed social and educational services by establishing a coordinated delivery system of resources within an educational setting. The objective of the Corporation is to reduce the number of school dropouts in Jacksonville, Florida.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Corporation have been prepared on the accrual basis of accounting. Assets expendable only for purposes specified by the grantor are reported as “restricted”. The accounting and reporting policies of the Corporation conform to generally accepted accounting principles and to general practices of not-for-profit organizations.

Cash and Cash Equivalents

The Corporation considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Cash consists of cash on hand and deposits in bank. Cash equivalents consist of money market funds.

Investments

Investments are carried at their fair market value with realized and unrealized gains and losses reflected in the Statement of Activities.

Note B - Summary of Significant Accounting Policies (continued)

Fair Value Measurements

The Corporation follows professional standards for financial assets and liabilities. The standards establish a fair-value hierarchy that prioritizes inputs to valuation techniques used to measure fair values. The hierarchy consists of three broad levels:

1. Level 1 is comprised of inputs from unadjusted quoted prices in active markets for identical assets and liabilities and has the highest priority.
2. Level 2 is based upon observable inputs other than quoted market prices.
3. Level 3 is based upon speculation from unobservable inputs.

Pledges and Support Receivable

The Corporation records pledge and support commitments at their estimated net realizable value.

Property and Equipment

Property and equipment are recorded at cost or, in the case of donated property and equipment, at estimated fair market value at the date of donation. Property and equipment with a cost in excess of \$1,000 is considered for capitalization. Depreciation is recorded using the straight-line method over estimated useful lives of the respective assets. Maintenance and repairs are expensed as incurred.

Income Taxes

The Corporation is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income tax is required.

Note B - Summary of Significant Accounting Policies (continued)

Support and Revenue Recognition

The Corporation recognizes contributions received, including unconditional promises to give, as assets and revenue in the period received at their fair values. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or that are restricted by the donor for specific purposes are reported as temporarily restricted support which increase that net asset class. When donor restrictions expire, temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the Statement of Activities as net assets released from restrictions. However, if a restriction is fulfilled in the same time period in which the contribution is received, the Corporation reports the support as “unrestricted”.

Contributions

Donated supplies, equipment, facilities, space, and professional services are reflected in the accompanying financial statements at their estimated values at the date of receipt. Such contributions in-kind totaled \$471,134 and \$529,790, respectively, for the years ended June 30, 2018 and 2017. In addition, certain volunteer workers have donated periodic services to the Corporation. No amounts have been reflected in the financial statements for these volunteer services as no objective basis is available to measure the value of such services.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Date of Management’s Review

Subsequent events have been evaluated through October 19, 2018, which is the date the financial statements were available to be issued.

Note K – Cash in Excess of Insurance

The Corporation uses financial institutions in which it maintains cash balances, which at times may exceed federally insured limits. The Corporation has not experienced any losses in such accounts and management believes it is not exposed to any significant credit risk on cash. NOTE L – Annual Leave

Effective July 1, 2016, the Corporation's annual leave policy was amended. Under the previous policy, vacation leave was earned at varying rates depending on length of continuous service of the employee, while sick leave was earned at a standard rate per pay period. Under this policy, unused annual vacation leave was allowed to accumulate to a maximum of 200 hours, while the annual sick leave was allowed to accumulate to a maximum of 240 hours.

Under the revised leave policy, annual vacation leave and sick leave continue to accrue under the same methods as the previous policy. However, annual vacation leave is not allowed to be carried over to future years. In order to facilitate employees with accumulated unused vacation leave, the revised policy allows for the carryover of the unused time. However, the revised policy requires the use of 40 hours of the unused time during each of the years, beginning with the year ended June 30, 2017, in addition to any time that is earned in those years. Any prior accumulation of time that is not used will be forfeited on an annual basis, such that the reduction in the accumulated balance of vacation leave will total 40 hours each year.

**Independent Auditors' Report on Internal Control over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards***

To the Board of Directors
Communities In Schools of Jacksonville, Inc.
Jacksonville, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Communities In Schools of Jacksonville, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated October 19, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Communities In Schools of Jacksonville, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Communities In Schools of Jacksonville, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Communities In Schools of Jacksonville, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
